DEDICATION

If it is worth doing-it is worth doing right. For this lady that statement means more than just words-it is her way of life. Her dedicated work as the Executive Secretary is one of the reasons things are done right at the school. Not only does she approach her job with this attitude but her spiritual life is one of a continuing desire to grow as a Christian each day. It is because of her dedication and faith that the Heritage staff dedicates the 1981 Heritage to Mrs. Barbara Keith.

For the administration of this service not only supplieth the want of the saints, but is abundant also by many thanksgivings unto God.

Row 3 Coach Eldridge, Paul Eldridge, Mike O'Neil, Kirt Earhart, John Pelfrey, Aren Waters, Marty Milam

The Trojans had their ups and downs this past season. A good offense kept them in the running, but the lack of size hurt their defensive push. The 2-4 record does not show how the team really played. If the record was posted by effort, the team would have a 6-0 record.

With the ability to run and the ability to level any player in an opposing jersey, Randy Harris, Senior fullback, was voted Most Valuable Player of the Year.

The Temple Trojans dribbled to an 8-8 record under the coaching of head coach Mr. Glenn Eldridge. The "Pride of TCS" placed third in the West Coast Division of the Central Florida Christian Conference.

A stubborn defense and a fast offense led by Randy Harris made the team a hard opponent for any rival. Randy Harris broke his own school scoring record of 39 points with a 47 point game.

EVENTS

THE REAL THANKSGIVING STORY

Under the direction of the Academy of Arts drama team from Greenville, South Carolina, the elementary division put on one of their most unusual performances ever staged at Temple Christian School. "Giving Thanks" was a play about a modern day family recounting the dangers, dilemmas and decisions the pilgrims had to face in coming to America. A choral background was provided to verbalize the inner thoughts of the thankful pilgrims. The production was a blessing as well as a reminder of the true meaning of Thanksgiving.

THANKSGIVING . . .

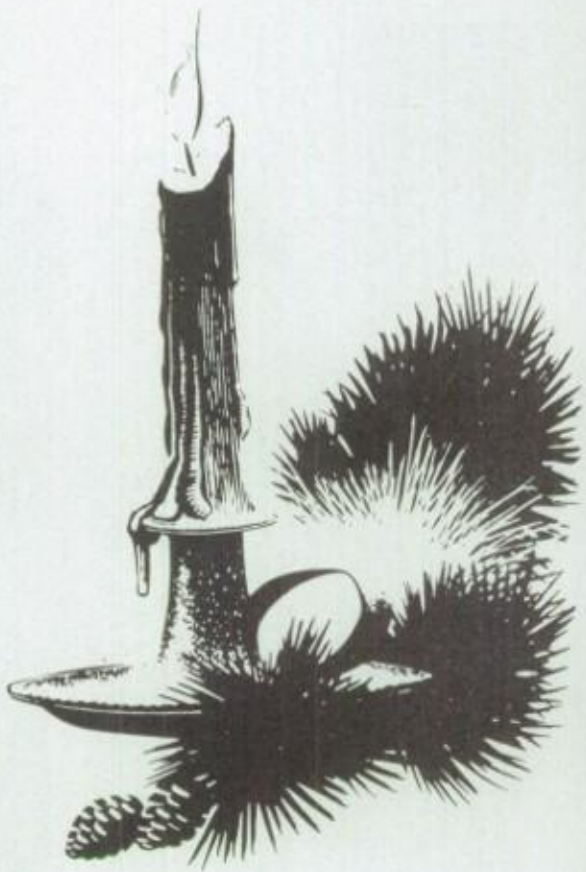

UNFEIGNED FAITH

"Unfeigned Faith" was the first dramatic production for the secondary division of Temple Christian School. The play reenacted the life of Timothy from his boyhood days to the time of the Apostle Paul's execution. Besides the professional instruction in acting, stagecraft, make-up, and costuming provided by the Academy of Arts drama team from Greenville, South Carolina, the students learned first hand about the perils and blessings of living a life of "unfeigned faith".
